TITLE:VCK190/VMK180

This image shows a large, mostly blank white rectangular area, which appears to be a placeholder for a schematic or design. The page is framed by a thin black border. On the right side, there is a vertical column containing a grid of letters A through D and numbers 1 through 5, likely serving as a reference system. At the bottom right corner, there is a detailed header section containing company information, logos, and document metadata.

The header section at the bottom right includes:

- AECG
2100 LOGIC DRIVE
SAN JOSE CA
- PAGE: 068 Blank
- PAGE NUMBER: 68 OF 108
- DOC NO: 038-05005-01
- DATE: Thursday, June 22, 2023 | REV: 13
- SKU: VCK190

The AMD logo is prominently displayed next to the address. To the right of the logo, there is a small text block stating: "CONFIDENTIAL AND PROPRIETARY TO ADVANCED MICRO DEVICES INC. © 2021 Advanced Micro Devices This AMD Board schematic and design is the exclusive property of AMD, and is provided only to entities under a non-disclosure agreement with AMD for evaluation purposes. Further distribution or disclosure is strictly prohibited. Use of this schematic and design for any purpose other than evaluation requires a Board Technology License Agreement with AMD. This image shows a large, mostly blank white rectangle, which appears to be a placeholder for a schematic or design. The rectangle is framed by a thin black border. On the right side, there is a vertical column containing a grid of letters A through D and numbers 1 through 5, likely serving as a reference for the schematic's components. At the bottom right corner, there is a detailed title block containing information about the document, including the AMD logo, page number (100), date (Friday, June 23, 2023), and various identifiers like DOC NO: 038-05005-01 and SKU: VCK190.
